## **Thank You Note From the President**

Dear Patrons, Participants, and Friends of On Stage Woodward,

It is with great pride and immense gratitude that I write to you today as we celebrate nearly half a century of On Stage Woodward: a journey filled with artistry, community, and shared passion. From our humble beginnings to the thriving cultural institution we are today, none of this would have been possible without your unwavering support. You, our dedicated patrons, volunteers, actors, directors, designers, and supporters, have been the heart and soul of this theatre organization for nearly half a century.

As we reflect on our past, we are filled with pride over the countless performances, the unforgettable moments on stage, and the relationships built through the love of theatre. Your presence in the audience, your enthusiasm, and your participation have all helped create a welcoming space where art thrives and communities come together.

Looking forward, we are filled with excitement for what's to come. This year, we are focused on expanding our impact through a growing lineup of programs for children and youth. These programs will nurture the next generation of artists and storytellers, providing a platform for young voices to be heard, and encouraging creativity and confidence in all our young participants.

In addition, we will continue to bring fresh and innovative productions to the stage, showcasing the diversity and depth of the human experience. Our commitment to offering exceptional and inspiring theatre experiences remains as strong as ever.

Thank you for being a part of our story. We are so grateful for your continued support as we look ahead to a future of artistic growth, education, and community connection.

With heartfelt thanks and anticipation,

Heather Healey
